

I'M BACK!

DEAR -----,

Hello, my little friend so bright,
Guess who's back, spreading delight?
It's your Elf, home once more,
Ready for fun like the year before!

Santa sent me here to spy,
On all the good beneath this sky.
Be kind, be sweet, and full of cheer,
And Christmas magic will draw near!

So keep on smiling, stay full of glee,
Let's make this season one to see!
My friend, the fun is just begun,
Merry Christmas, from your favorite one!

LOVE,
Your naughty lil elf
