

GOODBYE!

DEAR -----,

It's almost time for me to leave,
Back to the Pole on Christmas Eve.
This month with you was pure delight,
Full of giggles, magic, and light.

Santa's calling, I must fly,
So here I am, to say goodbye.
Back to the workshop, back to my crew,
Getting ready for next year too.

Keep being kind, keep being sweet,
It's the little things that make
Christmas complete.
I'll be back again, don't you fear,
Same time, same mischief, next year!

LOVE,
Your naughty lil elf
